Thanks for the email Harry. We look forward to the water level measurements for 2010 & 2012 in addition to the data collected on yesterday. Since we'll also be contouring based on the data that you'll provide on tomorrow afternoon, let's set the conference call for Tuesday, September 25th. It may be 3 p.m. although to accommodate schedules of the team. I'll send out an email tomorrow with the conference call number and code.

Thanks,

Stacey,

I spoke with Craig Holmes moments ago and we'll have the information we talked about to you a little after the lunch hour tomorrow.

I'd like for you to sent out another call for conference for Monday at 2pm, if that fits your schedule, to go over the data that you will be receiving tomorrow from us. I feel we are very close.

Thanks in advance for your cooperation.

Harry
